

Architect

Architecture and design firm in Princeton, NJ seeks an architectural designer with 1-5 years' experience. Recent graduates encouraged.

To be considered for this position, applicant's qualifications must include:

- BArch, MArch or equivalent degree
- Strong design portfolio required
- Strong graphic and rendering abilities
- Excellent AutoCAD, Revit and 3DS MAX skills
- Excellent Adobe Photoshop, Illustrator, and InDesign skills
- Rhino and BIM knowledge a plus
- Responsive and dependable to meet deadlines
- Excellent visual, verbal and written communication skills

Qualified candidates should email a resume and a 1 page excerpt from their portfolio that best represent the candidate's design work, in PDF format.

The email should contain the subject heading "Architectural Designer Position" and should not exceed 1MB.

All applicants who are not U.S. citizens must describe their status to work in the United States, including visa type and duration.
