PROFESSIONAL EXPERIENCE/INTERNSHIPS

Ethical Fashion Internship

October 2018 – Present

Thr3efold, New York City, NY

- Reach out to garment manufacturing companies around the world through research on which factories are ethically certified to create a community which fosters networking between brands and ethical factories that they can partner with
- Establish the ability to clearly communicate through working with individuals on our team from all different places around the country to effectively complete our assignments while staying on the same page

Director of Leadership Development

April 2018 – May 2019

Residence Hall Association, Arizona State University, Tempe, AZ

- Support all 31 other presidents and vice presidents within the smaller councils through constant interactions and encouragement to show them they are able to achieve their goals
- Foster an environment of leadership and professional development through encouraging collaboration with other organizations to provide residents with the resources to grow into stronger student leaders
- Increase retention of staff through constant support and encouragement to ensure that our staff within our organization feels respected and valued within their roles

Fashion Internship

August 2018 – December 2018

Blush Beautique, 2929 E. Camelback Rd Suite 140, Phoenix, AZ

- Develop professional skills through meeting with prospective clients and working with other interns to best market and support the owner of Blush Beautique, Ms. Cardenas
- Market for the radio show “Beauty and Fashion with Rosa Cardenas” by utilizing editing programs to engage the over 1,500 followers on the Blush Beautique Instagram account
- Construct fashion workshops through brainstorming with other interns, Ms. Cardenas, and her clients to better cultivate the fashion ideals and knowledge in the surrounding community

Ship from Store Employee

December 2017

Target, 4 Henry St, Commack, NY

- Work to retrieve items that were ordered online from the back-storage room and the floor to complete and place the orders to be shipped out to online customers
 - Organize the floor through putting up new signage and bringing out new products to restock the shelves to engage customers and encourage purchases
-

PROFESSIONAL DEVELOPMENT/LEADERSHIP EXPERIENCE

Operations and Social Media Team Member

January 2019 – Present

Home Base Initiative, Tempe, AZ

- Work alongside a team of 9 other individuals through transparent communication and collaboration to create a curriculum for surrounding high schools to promote positive mental health habits and the importance of social support among students
- Organize team materials and assign individuals weekly tasks to ensure the efficiency and effectiveness of our team as well as take meeting minutes to allow for transparency in our organization

NACURH Inclusivity and Innovation Conference Chair

November 2017 – May 2018

NACURH Conference, Arizona State University, Tempe, AZ

- Work with the 20 other chairs to ensure all aspects of the National Affiliate of College and University Residence Halls (NACURH) Leadership Conference are inclusive and innovative by implementing initiatives such as closed captioning during our major events, a mental health meditation room to help provide a calm space to those who need it, and specific programming tracks for the students who will be presenting to the attending delegates
